

Why buy from EC Group?

Better Service

From the friendly voice that answers the phone to the smiling faces of our delivery personnel and service technicians. We treat our customers like family. Your not just another customer to us, you're our partner to success.

Better Price

We can offer the best price for the items you need. We do not have the huge overhead that the big box stores or internet companies have. We buy at the best price and then pass the savings on to you.

Better quality

EC Group's compatible line are manufactured at a ASTM certified production facility. Made right here in the USA. You can be sure that you are getting the best quality cartridge on the market, that's why EC GROUP offers a **100% guarantee** on all our compatible products. We also offer 1000's of new OEM products including copier toners, ink, new and re-conditioned printers, scanners, copiers, and shredders, plus many more.

Need to cut unexpected operating costs. Now is the time to look into a print management solution.

EC Group's "Platinum Supply Plan" is a great way to save time and cut cost without sacrificing quality and service. The "Platinum Plan" includes these key elements: all inclusive printer or fax service, OEM or compatible supplies, online ordering and service dispatch. Our "Platinum" program begins with the first cartridge you buy from **EC Group**, with no long term contract. In fact no contract at all!
